## Expand or add a sidewall to your canopy.

The quick and affordable solution for special events and seasonal protection.

Quickly convert your 10 x 20' MAX AP Canopy or 18 x 20' Super Max Canopy to a fully covered event tent or single or double sidewall windbreak.

- Made of the same triple-layer, rip-stop, woven polyethylene fabric material as our popular canopy.
- UV-treated inside and out. Heat-sealed seams not stitched for a stronger bond and absolute water resistance. Take out the poles and the panels can act as a wind or sun barrier.
- Easy-to-install pre-fit wall panels go up fast with SL bungee fasteners.
- Includes all-steel panel poles, rope tie-downs and temporary anchors.

**Great For:** SUV's, boats, commercial and industrial equipment, trucks, trailers and bulk storage.

- One full color graphic retail package.

### Fits these models:

10 x 20' Max AP™ Canopy

18 x 20' Super Max™ Canopy
