

14' Garage & Shelter Peak Series

14' x 36' x 16' Peak Style Shelter

Big Garage Features. All Weather Protection.

- Starting with high grade steel, every frame pipe and connector goes through a proprietary 13 step Rhino Shield surface preparation process.
- The heavy duty 2-3/8" diameter all steel frame, bonded with Dupont™ thermoset baked on powder-coated finish prevents chipping, peeling, rust and corrosion.
- Solid 10 rib design, complete with slip fit connectors and swaged tubing for easy assembly and bolt hardware at every connection point ensures a solid structure. Rugged Ratchet Tite™ tensioning for quick and easy cover installation.
- Triple-layer chemically heat bonded enhanced polyethylene rip-stop fabric cover is hot air fused at the seams and 100% waterproof with a white interior lining for enhanced illumination.
- UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents results in a cover that withstands the elements.
- Structure sets up quickly and in most cases requires no building permits. Check local ordinance before installation.
- Easy Slide Cross Rail system locks down and squares up covers.

Great For: RV's, big boats, commercial and industrial equipment, trucks, trailers and bulk storage.
